

# Boosting Business — Working Together in 2010

**Boosting Business — Working Together in 2010**

**Presented by:**  
**Georgina Chamber of Commerce & Town of Georgina**

**Research and Planning / Experience Development /  
Marketing Communications / Sales Promotions**

This action-planning workshop will be facilitated by D'Arcy McKittrick, a partner with The Tourism Company, will help businesses to identify, prioritize, develop and begin the implementation of new or enhanced marketing activities for your peak season of 2010.

Georgina is a tourism destination...

## **Boosting Business – Working Together in 2010**

...can benefit all community businesses.

Ideas, enthusiasm and a willingness to collaborate with other businesses and industry stakeholders are the only requirements for attending. Find out how **YOUR** business can take advantage.
